Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	During COVID time, online classes were conducted separately for both advanced learners and slow learners. In addition to meager number of offline courses conducted during the session, learning videos and power-point presentations of the faculty members of our own university and from other sources(SWAYAM - MOOCS) are delivered to the students for better understanding. Learning material, online tests, home assignments , lecture notes, power-point presentations etc. were provided to the students to cope with their subjects. MOOCS/NPTEL courses were recommended to the students and the faculty were giving handholding support to understand the material provided by the online platforms. However, those were not credited courses, to be transferred to the transcript. Wherever possible, virtual labs were provided to the students, like programming, simulation and other science courses.
3. The period of delay in completion of syllabus (in months).	2
4. The period of delay in conducting exams (in months).	6
